SUMMARY

My name is Ermiyas Tesfaye, a third-year software engineering student at Addis Ababa University. I completed my primary education at Embut School and my high school education at Vision Academy. Currently, I am dedicated to expanding my technical skills and knowledge in software engineering. I am passionate about leveraging technology to solve real-world problems and am excited about the possibilities that lie ahead in the field. With a commitment to continuous growth and making a positive impact, I look forward to contributing to innovative projects and advancing my career in software engineering.

EDUCATION

B.S. Software Engineering

Addis Ababa University

📅 2022 - 2027 📍 Addis Ababa, Ethiopia

High School

Vision Academy

📅 2019 - 2021 📍 Gerji, Addis Ababa

EXPERIENCE

Flutter Mobile App Developer

Agriconnect

📅 2024 - Present 📍 Addis Ababa, Ethiopia

🔗 <https://github.com/ermiyastesfaye-lab/flutter-2024-proj-bloc>

Agriconnect is an app made for school project. It is designed to help farmers manage their crops and connect with buyers, facilitating the purchase and sale of crops. The app includes robust features for authentication, authorization, user registration, role assignment, and specific functionalities for each user role.

- Made the screen UI with Flutter
- Used Bloc State management
- Used Nestjs for the back end

Full Stack Developer

Job website

📅 2024 - Present 📍 Addis Ababa, Ethiopia

🔗 Currently in development

This website serves as a dedicated platform designed to bridge the gap between students of Addis Ababa University and prospective employers. Our mission is to empower students by providing them with access to job opportunities, internships, and networking resources that align with their academic and professional goals.

- Developed using MERN Stack

STRENGTHS

Eager to learn new skills

As a person who is starting out, I am constantly seeking for new ways to grow and expand my skill set.

Not afraid of failure

Strong believer in the mantra that we learn from our mistakes.

Time management

I always set aside time to plan my week and distribute the workload by days so that I can simultaneously meet deadlines and maintain my well-being.

Collaborative

Participating in many group activities taught me everything there is to know about being a team player.

PERSONAL PROJECTS

Personal Website

📅 2024 - Present 📍 Addis Ababa, Ethiopia

🔗 <https://ermi-portfolio.vercel.app/>

This platform serves as a comprehensive showcase of my journey, skills, and passions. Whether you're here to learn about my work, delve into my thoughts, or connect with me, you'll find everything you need right here.

- Developed it in my 3rd year
- Developed using React.js
